Budget Page

This information is to assist you in preparing your itemized budget. Excluded expenses and examples of applicable expenses are on the next page. Awards cannot be made for expenses for which other funding is available or where resources are readily available through the student's institution. The amount requested for the Dissertation Award may not exceed \$1000. All items must be clearly related to the activities described in your research proposal. Itemize **all** applicable expenses to be incurred through your dissertation project, including those supported by other sources (explain below). **Please attach additional sheets if necessary.**
